Transnational Giving Europe (TGE)

Several European countries have bilateral agreements for giving to registered charities abroad. If you donate through them you can reclaim the income tax paid on your donation. Note that use of TGE costs us 5% of your gift in fees.

Belgian taxpayers can get tax relief by making their donation through the KBF (King Baudouin Foundation/Fondation Roi Baudouin/ Koning Boudewijnstichting). KBF will send you an '*attestation fiscale*' for submission with your annual tax form.

King Baudouin Foundation account number: 000-0000004-04.

Please put the communication TGE: Giraffe Project.

German taxpayers pay through Maecenata International.

Does your employer offer a 'matching gift' scheme?

Some employers do!

Let's say you live in Belgium, and you decide to donate €300. Instead, you donate €500 through KBF and get €200 (assuming 40%) tax back. Your employer matches your gift with another €500. Your gift of €300 has more than trebled to become €1000 for the Giraffe Project!!

Check whether your company offers such a scheme.
